

## Color Parameters

| Luminous Flux (Raw) | Power Consumption | Chromaticity Coordinate CIE 1931 | Chromaticity Coordinate CIE 1931 |
|---------------------|-------------------|----------------------------------|----------------------------------|
| 8237 lm             | 137,6 W           | x 0,136                          | y 0,728                          |

## Spectral Distribution
